# PRESIDENT'S MESSAGE

Austin, TX. 78757

Fellow members — Our TNA Board meeting, held in conjunction with the recent convention, covered a number of subjects. This month I'd like to tell you about some of the discussed issues.

The status of the library has been a source of concern for a number of us. Simply stated, it needs to be moved from its present location in Fort Worth. Dick Dollen, governor of TNA District III, has graciously offered to move the TNA library to his work location in Abilene where it will be secure and accessible to the TNA membership. Access will be through the mails. Dick has agreed to do this for us, but is unable to do it as a permanent arrangement. **IS THERE ANYONE OUT THERE WHO WILL VOLUNTEER TO BE TNA'S LIBRARIAN??** Space required is about 50 feet of shelving, and you must be willing to fill about two to three orders each month. The person or club ordering pays postage both ways. Let me hear from you, please.

Frank Galindo, your medals officer, has been doing an excellent job, but needs your help to move out a large number of both bronze and silver medals.

You district governors can be of much help by getting your district clubs to buy some of the bronze medals for use as door prizes, for presentations to speakers, guests, new members, juniors, etc. Frank has written each governor regarding this. The response from a few has been excellent — from others it has been disappointing. If you have not responded to Frank's mailing, please do so now. I know a lot of you governors can come up with some other ideas.

If the dies for the convention medals from previous years are still available from the mint which has done the medals for us, the board has authorized me to take the necessary steps to obtain these dies. After they are in our possession they will be offered for sale to the membership. I think it would be fun to own a die or two. I imagine it is something that few of us have in our collections. More on this when the dies become available.

Bod Medlar, who has been a TNA member for a lot of years and served some of those years as a district governor, has decided to throw his hat into the ring for the vice presid-

## TNA MEMBERS CONVENE IN HISTORIC SAN ANTONIO FOR "NUMISMATIC FIESTA"

The 27th anniversary and the 29th convention of the Texas Numismatic Association, and the 25th anniversary of the Gateway Coin Club highlighted a successful Numismatic Fiesta weekend on March 27, 28, 29. Raymond E. Tate, club president, was general chairman for the 29th TNA convention.

Construction in downtown San Antonio did not discourage the 2,642 guests attending at the Henry B. Gonzalez Convention Center. Visitors came from Puerto Rico, Austria, Canada, England, France, West Germany, India, Mexico and 33 states of the U.S. Mike Greenspan, bourse chairman, reported 125 dealers from 16 states, and 29 numismatic exhibits were entered in all categories, according to Cliff Valley, exhibit chairman.

The event officially opened at 9 a.m. Friday as San Antonio City Councilman Bob Thompson cut the entrance ribbon of facimile \$100 U. S. Federal Reserve Notes and 100 El Banco de Mexico Pesos. Others taking part were Tate, TNA President Mac Kennedy, ANA President Florence Schook, Legaria Mint Director Tadeo Casso, U. S. Mint Representative Arlene Kigin, U. S. Postmaster Joe Schraer, Lt. Doug Davis of the Pantego Police Dept., and McGruff, the Crime Prevention dog "taking a bite out of crime."

Stanford M. (Mac) Kennedy of Austin continues to guide the Asso-

ciation following re-election as president. Others re-elected are Gerald Kendall, Houston, 1st vice president; Eleanor Kennedy, Austin, secretary; and Jerry Williams, Beaumont, treasurer. Newcomer is Michael (Mike) Greenspan of San Antonio, 2nd vice president.

Retaining places on the TNA Governing Board as District Governors are Dick Dollen, Abilene, Dist. 3; Dr. Robert Greenwood, Austin, Dist. 4; Paul Garner, Dallas, Dist. 5; Chris Johns, Houston, Dist. 6; Frank Galindo, San Antonio, Dist. 7.

Also, Joe B. Davis, Corpus Christi, Dist. 8; E. L. Pitzer, Levelland, Dist. 9; Walt Woelper, El Paso, Dist. 10; T. J. Bennington, Tyler, Dist. 12; Raymond E. Whyborn, Seymour, Dist. 13; and Dewey L. Scott, Orange, Dist. 15.

Newly elected governors are Mario Johnson, Stephenville, Dist. 1; Dr. David Norton, Midland, Dist. 2; and Helen Snider, Pharr, Dist. 14. Appointed to fill duties in Dist. 17 is Dalton Adams, Waco. Vacancies exist in Districts 11 and 16.

Robert (Bob) Medlar of San Antonio, ANA governor, installed the officers at the TNA general membership meeting following the awards breakfast on Sunday morning.

Attracting guests to the convention were displays set up by the Legaria Mint of Mexico City and United States Mint.

Sr. Tadeo Casso, mint director, and his friendly assistants were on hand to answer questions and comments on the numismatic display arranged for the convention consisting of Mexican coinage proofs which have not as yet been struck for general circulation. Sr. Casso and his assistants, Cecilia Borunda, Jorge Mena, Jose Lazaro and Carlos Cortes, attended in place of Sr. Napoleon Gomez Urrutia, director of Casa de Moneda in Mexico City, due to an unexpected business trip abroad.

Representing the U.S. Mint in Washington, D.C. were Ms. Arlene Kigin, Manager of Conventions and Exhibits, and Max Dent, Chief of Numismatic Marketing.

Joe Schraer of San Antonio, postmaster, represented the U.S. Postal Service, which also set up a booth for philatelic and coin collectors. Robert Lacewell of Sidney, Ohio, formerly of San Antonio, covered TNA activities for Coin World, weekly numismatic publication.

### SATURDAY BREAKFAST

The traditional Saturday morning breakfast complimenting the TNA governors and club representatives was held in the HemisFair Room at El Tropicano Hotel with Frank Galindo as master of ceremonies. TNA President Mac Kennedy talked about TNA goals, aims and ideas to which clubs and members can contribute.

The VIP award was won by Chris Johns for adding the most new

members to the TNA membership roster during 1986. The Col. Raymond Darrah award, provided by the Fort Worth Coin Club, went to Stephenville Coin Club for the fourth consecutive year. The Darrah award is based on percentage of TNA members in any TNA club.

Gateway Coin Club placed first in the Club Salute award, with second going to Stephenville Coin Club, and third, Fort Worth Coin Club. Austin Coin Club has provided these awards since 1977.

Joe B. Davis was pleasantly surprised by Galindo with a special award for being the first to respond to Galindo's TNA medal sales promotion and securing sales of over \$200.

#### EDUCATIONAL PROGRAMS

Lt. Doug Davis of the Pantego, Tx. Police Dept. presented a 2-segment seminar on Numismatic Crimes relating to coin dealers and collectors who are increasingly becoming targets of criminals who have or are studying numismatics, and the habits of dealers/collectors when leaving coin shows or closing shops for the day. Lt. Davis discussed points to watch for in crime prevention, urged dealers to travel in pairs or more, to note any suspicious persons and to report same to police and security guards. The two seminars were held Friday evening and Saturday afternoon.

As a link to the crime prevention theme, McGruff, the Crime Prevention dog, attended the TNA opening ceremony on Friday morning as a representative of the Bexar County Sheriff's Department and the Crime Prevention Unit of Kelly Air Force Base Security Police Squadron. Accompanying McGruff were Sgt. Bill Carver of the Sheriff's Dept., and SSgt. Michael M. Inocente, of the KAFB Squadron. Leaflets on the subject and protection from con games were made available.

Sr. Tadeo Casso, Legaria Mint director, followed Davis' Saturday afternoon talk and discussed mint operations and coinage issues produced by the mint. (Sr. Casso's talk will be reprinted in the next issue of TNA NEWS.)

Gerald Kendall acted as MC. Mac Kennedy and Don Bailey introduced the speakers. Thirty-five interested dealers and collectors attended each meeting.

A small group of convention guests were guided by Ms. Rachel Reynosa on a tour of the San Antonio Branch of the Federal Reserve Bank. Ms. Reynosa, FRB public relations, explained the various procedures involved with the counting and sorting of coins, currency and checks arriving from member banks. Dirty, torn and generally worn out currency makes one last stop - the shredder. Each one in the group received a souvenir packet of finely shredded paper money and were challenged to put the pieces together!

Other tours scheduled, and guests signed in for, were the Alamo Shrine and the River Walk. Michael de la Torre was on hand to lead the groups but those who signed in did not show.

Hardworking committees led by General Chairman Tate were Mike Greenspan, bourse; Cliff Valley, exhibits; Karla Galindo, pre-registration, awards, badges, ribbons; Lee Grossman and Richard Goodwin, registration; Robin Ellis, finance; Chuck Maniscalco, security and photography; Goodwin, display cases; Ed Witt, signs; Michael de la

This is an open letter to all TNA district governors and club representatives. As the newly elected 2nd vice president, I would like you to know that my single objective as long as I serve in this position is to vitalize the TNA - to breathe some life into it and try to help make it the organization you want it to be.

The duties of 2nd vice, aside from presiding when the president and 1st vice are absent, are to aid (emphasis is mine) and supervise the governors and representatives in the discharge of their duties, and to supervise the membership chairmen in their duties.

At this point, I don't know, except generally, just what those duties mean — and I am open for suggestions from each and every one of

you. For as long as I have been a TNA member (and that's not too awfully long), this position has been relatively ineffectual and a position in title only. That's not to demean my predecessors; it's just to state I think we can do better in the promotion of membership and the TNA. I want to work to make TNA a respected organization in the realm of numismatics and I hope you do too. Texas is too large a state, with too many numismatists, to sit on the sidelines and let other smaller organizations set the pace. I want you to count on me and call on me because I'll be calling on you, individually and as a group. Let's work together to make the TNA the **Top Numismatic Association**.

---

*(continued from page 4)*

ency of ANA. Bob is currently an ANA governor. The TNA Board passed a resolution that I write a letter for TNA in support of Bob's candidacy. This has been done. When the time comes, I feel sure that Bob will appreciate the vote of the TNA members who are also ANA members.

I hope you enjoyed the 1987 convention as much as I did. If you did not attend you missed a good one. See you next month.

kin. He told members that grading is probably the single most important part of numismatics. In the 1960's the only grades that were important were circulated and uncirculated. There were few counterfeits but in the early 70's, when silver coins were no longer minted, counterfeiting and processing increased. In 1979-1980, ANACS began grading coins to settle disputes, but the grading was not reliable. In 1985-1986, other grading services appeared. Art also pointed out that cleaning coins is not recommended, but is acceptable in some situations. Processing coins is never acceptable.

## 1787-1987 — 200th Anniversary of The Constitution of the United States of America

The Obverse of this medallion is designed to suggest various themes. George Washington who presided at the Constitutional Convention and who became our first President under the new Constitution is pictured as well as Ronald Reagan our 40th President. Their profiles look upon each other signifying the common bond they share in upholding the Constitution as leaders of our country. The American Flag containing 13 stars over Washington's head contrast with the 50 star Flag over Reagan's head symbolizing the growth of our country over 200 years while governed under the authority of the Constitution.

The Reverse of this medallion sets forth the Preamble of the Constitution which recites the purposes for which the Constitution was enacted. Flanking the Preamble is the American Eagle symbolizing the spirit of America.

This Proof-Like medallion is certified to be struck in 2 troy ounces of Pure .999 Fine Silver

# We Grade Advertisers

For a coin to rate an MS-65 designation, it must satisfy a certain set of standards. It has to be of superior quality. Or it simply won't make the grade.

At NUMISMATIC NEWS, the same holds true for advertisers. Over the years we've set our own standards. Standards to grade an advertiser. To make sure they deliver what they promise. To protect and serve the interests of our valued subscribers.

We spend thousands of dollars annually, in an extensive "blind testing" program, continually affirming the integrity of our advertisers. Those that score high are recognized as the "best in the business," and receive our seal of approval — the Krause Publications' Customer Service Award.

Like an exceptional coin, our advertisers represent the highest quality in the industry. Which means you can rely on NUMISMATIC NEWS to provide an atmosphere of trust for both buyer and seller, and take the worry out of mail order transactions.

## NUMISMATIC GROUPS MEET DURING TNA

On Saturday, March 28, at 1 p.m., Robert E. Medlar of San Antonio was guest speaker at a regional meeting of the **Society of Paper Money Collectors**. His speech centered on the years during the Great Depression, 1929-1931, according to a report from Frank Clark, SPMC member.

Medlar related some of his childhood experiences during this period while growing up on a farm in the Midwest. He also spoke on the global economic situation at the time and how, when one bank in Germany failed, it triggered events that led to the Great Depression.

Some of these events in our country were the Wall Street Crash of 1929 and the failures of many banks across the nation. Medlar said that one can look at the mintages for our coins to see how bad times were, with mintages being very small or non-existent for some denominations during this time.

*(continued from page 8)*

Torre, tour guide; and Miriam Gilmore, show program, breakfasts and other special events.

Greater Houston Coin Club will host the 1988 TNA convention at Adam's Mark Hotel on April 22, 23, 24. General chairman is Al Loja, 2022 Ottawa, Houston 77043, 713/467-2521. Dealers wanting to place early reservations for bourse tables should contact Ray L. Aldrete, chairman, Box 1345, Houston 77251, 713/80-3206.

Depression scrip was issued in many cities across the nation, but very little here in Texas.

The beginning of the recovery from the Great Depression came from the election of Franklin D. Roosevelt as president in 1932 and his New Deal policy, along with the implementation of the 'Bank Holiday' of 1933. The United States did not recover from the Great Depression until it was drawn into World War II.

A question and answer session followed the talk.

After Medlar's presentation, members of the **Souvenir Card Collectors Society** held a short meeting with Robin Ellis in charge of both of the above sessions.

About 20 members of the **Texas Token Collectors** enjoyed an all-day meeting and swap session on Saturday beginning at 10 a.m. Mike Greenspan was in charge of arrangements.
